# 2010 Scavenger Hunt Instructions

Welcome to the 2010 Killington Hay Festival Scavenger Hunt! At each location, you'll find a question and answer about animals. Return the correct answers from 15 or more places, and we'll make a donation on your behalf to the National Audubon Society. Finish 20 or more questions, and you'll also be entered into our weekly raffle to win great Killington prizes, including plushy toys from Audubon, area gift certificates and more. Just bring your form back to Hay Festival Headquarters at the Grist Mill when you're done. Don't forget to stop and have your picture taken with our animal friends!
